

Dear Families,

My name is Nicole Florence, and I will be teaching your child throughout the 2017-2018 school year. I am so excited that God has blessed me with this opportunity. I am a 2007 graduate of Johnson Bible College with a Bachelor's Degree in Children's Ministry and Bible. While at JBC, I also took many Teacher Education, and Early Childhood Education courses. Until I began working at the BCAA in 2015, I was running a daycare/preschool program in my home. During those six years, I used Classical Christian Curriculum. In the past three years I have learned more about this type of education, and truly believe there is no better way to educate our children. I look forward to seeing your child's success this year!

I grew up in Knoxville, TN, and moved to Ohio in 2007 when I married my husband, Jerrod. We serve at the Macon Church of Christ where Jerrod is the preaching minister. We have three boys (Carter, Jaidon, and Corbin), and two girls (Harper and Paisley). In our free time, we enjoy playing baseball and traveling.

I look forward to getting to know your family, and working with you throughout this year. Thank you for giving me this opportunity! I am praying for your child, your family, our class, and our school! I am so excited to meet everyone at Open House on August 30th! I, also, want to let everyone know in advance that we will be a nut free classroom this year. Please be cautious of this and read all labels when packing snacks and lunches for your child this school year. We want to do our best to keep all our students safe, so if you have any questions at all do not hesitate to ask.

*"Whatever you do, work at it with all your heart, as working for the Lord."  
Colossians 3:23*

Let's give our all, as we work together, to help your child grow, not only in academics, but in his/her knowledge and love for our Lord and Savior, Jesus Christ!

In Christ,  
Nicole Florence
